Long Term Plan 2024-25

## SUBJECT: HISTORY

Vision: To ignite a life-long passion to learn about the past and engage pupil's curiosity to discover how their world has changed over time. Our curriculum starts off with our pupils' own history and expands to that of their local area, country and then the wider world. The key figures and events we have chosen to teach our pupils reflect all genders, races, ages and backgrounds so that all pupils can see how history has shaped their lives today.
