23.06.25

Dear Parents and Carer's,

On Thursday 26<sup>th</sup> June we will be visited NED's Mindset Mission. They will be taken on 45-minute journey filled with storytelling, illusion, yo-yo tricks and humour.

NED's Mindset Mission is a character education program that teaches three important messages:

**N**ever give up  
**E**ncourage others  
**D**o your best

NED's message and memorable friends inspire students, promote academic achievement, and support our school goals. Ned will become a positive role model at both school and at home.

Our school has received this assembly at no-cost because another school paid-it-forward to us. We want to help pay-it-forward too, and you can help by purchasing a NED-messaged yo-yo.

We will be holding the sale from Friday 27<sup>th</sup> June until Monday 30<sup>th</sup> June. Purchases are to be made by ParentPay and there will also be a google form for you to fill out to inform us about which yo-yo you have purchased for your child. This will be sent out on Friday morning.

Please see attached information regarding the order information.

Kind thanks,

FVP
