The Place was set up as a result of the closure of the local Children Centre. Members of Faringdon's community, including the Town Council, local Churches, School and Parents put together a business plan, working with Spurgeons Children Charity. The Place was able to open its doors to families in June 2018 thanks to community funding from Oxfordshire County Council and with financial contributions from the Town Council, Churches Together, Lord Faringdon's Trust and other local charities and fundraising. The Place is a community led charity which welcomes families with children under 5. It is a non judgemental, friendly project running professionally led groups and offers a place for ALL families to feel accepted and welcomed.
