

12th April 2022

Dear Parents and Carers,

In Term 5, the children will be learning about minibeasts as part of our 'Who is living in our Garden?' topic. As well as carrying out lots of fun activities inside and outside the class, we are having a 'Wow' day! It is all very exciting, and we are sure the children are going to love it!

On **Wednesday the 4th of May**, we will have a visit from Zoolab, an animal handling company. One of their very experienced rangers will be carrying out minibeast workshops for our Reception children over the course of the morning. We have used them for several years and they are fabulous!

Our PTA have very kindly offered to contribute a large proportion of the cost. To assist with the remainder, we would like to ask you for a donation of £2.50 per child. You can do this through Parentpay.

Thank you very much and we are sure you will enjoy hearing all about the morning from your child.

Have a wonderful Easter!

Regards,
The Reception Team
