Our Vision for FIS –

Future of Faringdon; Including all; Supporting everyone to grow

6th January 2021

Dear Parents and Carers of Sunflower Nursery,

Provision in Sunflower Nursery

I hope that you are all safe and well and beginning to digest the news of the further lockdown.

I am writing to update you on the most recent guidance around the opening of school based Nurseries. We have today been advised that we can look to reopen Sunflower Nursery if we can manage this operationally and safely. One of the ways for us to establish whether and when we can do this, is to find out how many parents would choose to bring their children to Nursery if we were able to open from next week? We need to ensure that we can create sustainable safety and staffing, and this will depend upon the numbers of children attending.

We understand how anxious many families are about exposure to coronavirus, given the new and more transmissible strain, and realise that many families will decide that staying at home during lockdown is the safest option for them.

Please could you urgently respond by email or phone call to the school office to let us know whether you would like to take up a place in Nursery from Monday 11th January or whether you will be remaining at home during the lockdown. We will review this at regular intervals and all places will still be held for your child's return after lockdown if you choose not to attend at this time.

Responses to - Office@fis.faringdonlearningtrust.org or 01367 240655

We will need to gather responses by the end of the school day on Thursday in order to plan for next week. If we do not hear from you, we will have to assume that your child will not be in (unless your child is already registered as a key worker or vulnerable attendee).

Many thanks for your help in informing our next steps.

Take care and stay safe,

Mrs Sally Robins
