Future of Faringdon; Including all; Supporting everyone to grow

Monday 14th December 2020

Dear Parents and Carers,

As we begin the final week of term and look towards the Christmas break, I am writing with some reminders and information about this week and the end of term.

End of Term Timings

The final day of term for us at Faringdon Infant School is Friday 18th December.

We will finish school at the following times, via our usual exit points.

1.15pm Apple, Chestnut, Hazel and Holly Classes

1.25 pm Cherry, Maple, Willow and Rowan Classes

Christmas Cards

A reminder that if children would like to bring Christmas cards for the children in their class bubble (or staff) the final day for these to be brought to school is tomorrow (Tuesday 15th December).

FIS Christmas Play

We hope to be able to share our whole school Christmas Performance with you by the end of Thursday. Look out for information about where to find this, once we have finished compiling it. We do hope that you will enjoy it! Thank you for confirming your permissions for filming!

Important information regarding COVID contact tracing during the holidays

For the purposes of contact tracing, it is important that we are made aware of any children developing COVID symptoms or receiving a positive COVID test in the first week of the Christmas holidays. Since the office will not be staffed to take calls during this time, we are asking that you please contact us via the school office email address in the event that you need to contact us for this purpose. This will be checked at least twice daily, allowing us to contact other affected children or families if a case arises during this time. The email address is on our school website and noted below.

office@fis.faringdonlearningtrust.org

And finally...

We are exceptionally proud of how our school community has pulled together and supported one another through another challenging term. The children have continued to impress us with their ever-growing resilience, humour and zest for life. The wonderful staff have worked tirelessly, and when they have been exhausted, anxious or pressured by the circumstances, your kindness, smiles, positive feedback and encouragement have been truly strengthening. Thank you. We wish you a fabulous final week and a magical Christmas.

Take care and stay safe,

Sally Robins
