

# Faringdon Infant School Virtual Learning Agreement

When I am learning online at home using live video meetings I agree to:

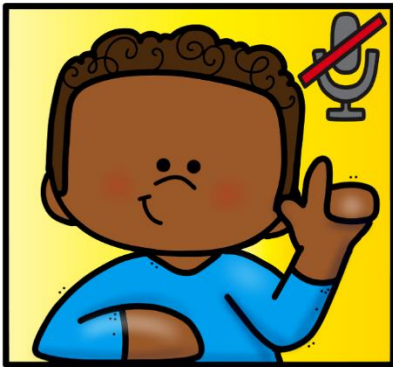

Not chat while the teacher is talking

Turn up to the live video meeting on time.

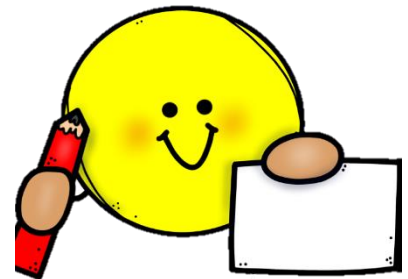

Do my video lesson from the kitchen or living room not my bedroom.

Put my microphone on mute until it is my turn to talk.

Turn my camera on so my teacher and friends can see me.

Be prepared and ready to learn.

Stay in my seat and not move around.

Raise my hand when I want to speak.

Be respectful and use kind words and actions.
