

Hello,

My name is Laura, I am the Family Link worker for Faringdon Academy of Schools.

As a parent myself, I know just how rewarding it can feel to raise a child, but I also understand just how emotionally challenging this can be.

You may have already received a poster via email explaining the Family Links Programme and through this current school year, a colleague and I are hoping to run a 2nd Family Links Group to support parents and carers across all of the trust schools.

We realise how difficult it would be to physically attend meetings with ever-changing government guidance on Social Distancing - due to Corona Virus, so we have moved the group to be virtually attended (online).

To help us provide a group that is accessible to all, could I ask for 5 minutes of your time to click on the link below and fill out a short survey (5 questions).

Thank you for your time.
