Reading cushions!

Thanks to the fantastic amount of money raised on World Book Day (£219) we have purchased 12 weatherproof cushions for our outdoor reading spaces. The children enjoy them so much we have secured an order for some more for the youngest children in our school. Children and staff are

hugely grateful for all your support with these events and we enjoy seeing the children directly benefit from the monies raised.

Three is the magic number!

Help your child to practise the phonics they have been learning in school and develop reading with their Read Write Inc book. It is closely matched to the sounds they are learning in school. Read this book three times a week as shown below.

First read

Work together on *accuracy* of old and new sounds that have been taught.

Look out for tricky **RED WORDS**.

Talk about the meanings of new words.

Share a first read through and offer loads of praise.

Second read

Read words with more speed as you remember them from read 1.

Tackle **RED WORDS** with more confidence and speed.

Share a second read with greater *fluency*

Give loads of praise.

Third read

Begin to use knowledge of the book for voices or simple expression.

Confidently read **RED WORDS**.

Answer *comprehension* question on the events, characters, feelings etc.

Read through with confidence and enjoy your well-deserved praise.

Remember: Supporting your child to read is the single most important

thing you can do for them to assist their schooling!

Take part in our book swap event

From Friday 30th June to Wednesday 5th July bring in up to 5 books (to your teacher) that you would like to donate and receive a ticket for each book. On the afternoon of Thursday 6th July, each class will visit the book swap area and trade in their ticket(s) for book(s) from the selection donated.

Just in time for some summer reading!

Reading is important

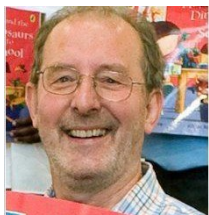

At Folly View Primary we aim for every child to enjoy reading and become independent and fluent readers with a good level of comprehension. We believe that reading is essential to access the curriculum and everyday life as adults. Here are some of the daily reasons it is important to become a confident reader.

Help your child by listening to them read at least three times a week. **Read to them too!** Have books available for children to enjoy around the home and show them how often you read— and for all the different reasons you read!
